

QUALITY INN DOWNTOWN INNER HARBOUR
VICTORIA, BC

Dear guests,

We are excited to announce that we will be starting with renovations to 35 rooms on our first and second floors, starting October 12, 2021. You may be aware that we renovated the 3rd floor rooms back in 2018 and now we will be renovating ALL the remaining rooms. The renovations will be done in stages, section by section and are scheduled to be completed by March 15, 2022. While we will do everything in our power to minimize any disruption to our guests, please note that some noise is possible during construction hours, from 9 a.m. to 5 p.m. Thank you for your patience and understanding as we embark on this new and exciting phase for the hotel and our guests.
